Accessibility

The Hamburg Institute is accessible for mobility impaired visitors. Those parts of the Institute that are open to the interested public can be reached by wheelchair users and other visitors with mobility impairments. Visitors with mobility impairments who would like to attend events in the Institute or use other facilities are kindly asked to call the Institute in advance at + 49 40 4140 97-0 so that we can ensure that staff is available to operate the lifts and that we can reserve street level parking space for you, if necessary.
